Luc T. Burns

(860) 391-1551 | burnsluc2@gmail.com

Objective

During the pandemic, I found a new passion for coding through a full stack engineering course while working full-time. As a creative and collaborative professional, my goal is to join a team that thrives on growth and ambition.

Work Experience

HIGHWAY MAINTENANCE WORKER | TOWN OF CHESTER PUBLIC WORKS | JULY 2018 - PRESENT
- Managing landscaping, electrical, plumbing, general construction, and snow plowing.

MARKETING COORDINATOR | SUNDAY RIVER RESORT | WINTER 2019/2020
- Coordinated marketing efforts for resort profit centers to maximize guests visits and revenue.
- Responsible for maintaining various channels, including resort website and mobile application, print media and collateral, as well as inter-department communication regarding events and planning.

SKI SCHOOL CUSTOMER SERVICE & INSTRUCTOR | BROMLEY MOUNTAIN SKI RESORT | WINTER 2016 - WINTER 2018
- Assisted guests in booking lessons for the ski school program.
- Provided care and instruction of guests taking lessons, ranging from groups of children aged five and up, to adults in a one on one lesson environment.

Education

2021 | UCONN SCHOOL OF ENGINEERING CODING BOOTCAMP
- Certificate of Completion: Full Stack Engineering - GPA 4.0

BACHELOR OF ARTS | 2017 | GREEN MOUNTAIN COLLEGE
- Major: Communication Studies - GPA 3.4
